27th March 2020

Dear Parent / Carer,

In line with our new praise and rewards initiative we have managed to put together a system so that our students can still receive praise points whilst working from home.

Teachers will award praise points when students have completed set work to a good standard.

Students will receive an email notification every time they have been awarded a praise point by a member of staff, which could also be checked by parents.

When we return to school, any students who have received at least 1 praise point a week, excluding holidays, will be awarded with a certificate and they will also be entered into a prize draw for gift vouchers alongside other qualifying students within their year group.

Please can you ensure that all students have now accepted the invitations sent by their teachers for each of their Google Classrooms as reward points will not be possible otherwise.

Many thanks and please continue to take care of yourselves.

Mrs Davies (Co-ordinator for whole school praise, rewards and encouragement).
