

18th June 2021

We have been asked to forward the information below by Flintshire County Council – this only applies to families that live in Flintshire. Use the web address link to apply. If you do not live in Flintshire please contact the relevant County Council transport department. At the bottom of the section Application Process there is a link to APPLY ONLINE.

School Transport September 2021

Whilst we have received an increase in the number of applications for home to school transport following the latest reminder issued to parents, applications for transport for September are still lower than expected. I would therefore be grateful if you could please issue a final communication to parents regarding the application process.

Please note that although the initial closing date for applications was the 31st May, 2021 the Integrated Transport Unit are still assessing applications received.

Parents who have already completed an application form for September do not need to reapply and will receive correspondence regarding the outcome of their application by Friday 2nd July 2021.

Thank you again for your continued support

As you will be aware over the last couple of years we have changed the way in which parents apply for school transport, the process has worked extremely well and we have therefore continued with the same the process for a number of years.

For information, I have included a copy of the timetable below, please note all parents need to complete the application form for school transport online (I have attached the link to the online form and process below)
