25<sup>th</sup> March 2020

Dear parent / carer,

We do hope you are all keeping well and managing to look after yourselves, your families and other loved ones.

As a school family we are encouraging each other to build structure into our day, by following our normal lesson timetable as best we can for work purposes. It is really important also that we continue to commit time and energy to planned exercise, whether in the home or garden, or during our one allocated spot outside the home environment every day.

Since our last communication it's great to see how many students have signed up to all of their respective Google Classrooms. However, in some cases students have perhaps signed up to certain subjects on their timetables, but not to others, and so we ask you again please check with your son / daughter that he / she has complete coverage of all their classes and other sources of schoolwork required.

Best wishes,

Paula Williams
