Free school meals – week commencing Monday, 30 March

Pupils in receipt of free school meals will have a packed lunch delivered to their door from next week until further notice.

This service is provided by NEWydd Catering & Cleaning in partnership with Flintshire County Council and is delivered in place of the usual school meals provided.

Please ensure that you read the food allergy advice information on the food packaging to avoid any food intolerances.

Please note that these are interim arrangements and as arrangements change we will let you know.

If parents have any enquiries or concerns, please contact Flintshire County Council on 01352 752121 or email freeschoolmeals@flintshire.gov.uk

All pupils entitled to free school meals will have a **delivery direct to their home address**. There is no requirement for pupils to be visiting their school or the hub sites.
