18th December 2020

Dear Parent / carer,

Please [linked here a letter from Flintshire Local Authority](#) which explains the necessary detail for all members of our school community for the first week back after the Christmas break.

The high number of positive virus cases in Flintshire is a major concern and these figures are not expected to fall over the holiday period. Schools have therefore been told that all students, except those of 'Critical Worker' families, will again be required to access their learning from home, from Tuesday 5th - Friday 8th January 2020. This small number of students can be hosted in school if necessary and will access their online learning from a computer room. If you require this provision, please email reception@castellalun.flintshire.sch.uk stating where you work at your earliest convenience and by 9am on Monday 4th January at the latest.

Students in receipt of Free School Meals will have payments made directly into specified bank accounts and may use this money to purchase cold food in school if necessary.

School remains closed to all students on Monday 4th January for staff training.

Although this form of delivery is not our ideal, we are all mindful of the need to bring the virus under control in every way possible. There is further information on school matters in the Blog on our website weekly as I'm sure you are aware.

Thank you so much for your continued support through the hardest of terms, and again allow me to say that your kindness is so very much appreciated as we all continue to mourn Chantelle and celebrate her time with us.

From the entire Castell Alun team, we wish you a peaceful and healthy Christmas.

Best wishes,

Paul Edwards
