

Learning Area: SCIENCE

Subject: GCSE SS Chemistry

No. of entries: 47

Evidence already collected

Type of Evidence	How it links to specification	Type of Supervision H/M/L	Type of assessment
Standardised Assessment Material	Unit 1 1.1 The nature of substances and chemical reactions	High – formal supervision	Chemistry Separate Science Unit 1.1 Test
Standardised Assessment Material	Unit 1 1.2 Atomic structure and the Periodic Table	High – formal supervision	Chemistry Separate Science Unit 1.1 Test
Standardised Assessment Material	Unit 2 2.1 Bonding, Structures and Properties	High – formal supervision	Chemistry Separate Science Unit 2.1 Test
Standardised Assessment Material	Unit 1 2.2 Acids, Bases and Salts	High – formal supervision	Chemistry Separate Science Unit 2.2 Test

Assessments planned

Type of Evidence	Date	How it links to specification	Type of Supervision H/M/L	Type of assessment
Standardised Assessment Material	March 2021	Unit 2 2.1 Bonding, Structures and Properties 2.2 Acids, Bases and Salts	High – formal supervision	Chemistry Separate Science Unit 2 Assessment
Standardised Assessment Material	April 2021	Unit 2 Aspects of 2.3 Metals and their extraction	High – formal supervision	Past paper questions to be answered across a series of lessons

Standardised Assessment Material	April 2021	Unit 2 Aspects of 2.4 Chemical reactions and energy and aspects of 2.5 Crude oil, fuels and carbon compounds	High – formal supervision	Past paper questions to be answered across a series of lessons
Standardised Assessment Material	May 2021	Unit 2 Aspects of 2.6 Reversible reactions, industrial processes and important chemicals	High – formal supervision	Past paper questions to be answered across a series of lessons

Assessment arrangements for ALN students

This information is confidential and is held within school

Standardisation / Moderation / QA processes

Date	Details	Who was present	Outcome of meeting
March 2021	Standardisation of marking	Use of WJEC marker with Chemistry department	Standardisation process for marking assessments
May 2021	Moderation of marking if possible	With alliance school	Moderation of assessment papers

Conflicts of interest - mitigating their effects
