<b>How will the final grade be determined?</b>	The best fit grade will be awarded by scrutinising student performance across the range of pieces. Any anomalous pieces will be discounted. Usual weightings across units and AOs will apply to the greatest possible extent.
<b>ALN Provision Plan (if applicable)</b> <i>Include how ALN students' specific requirements will be catered for</i>	This information is confidential and held securely in school
<b>Moderation Plan</b> (Who will moderate /how/when/other centres)	Faculty meeting time will be regularly used to moderate these key pieces as they are produced. We will also be using the WJEC mark schemes and accessing SAMS and exemplar responses to ensure consistency.
