High School

Friday 17th December 2021

Dear Parent/Carer

Please see [this attachment from the local authority with regards to school arrangements for January 2022](#). Within this letter there is further information regarding LFT testing which is different from my communication yesterday. As you can appreciate the COVID situation changes on a daily basis and therefore please follow this latest guidance.

If you require more LFT's please contact school. We will then ensure that sufficient tests will be made available for collection on Monday 20th and Tuesday 21st December.

I wish you all a happy Christmas, and a safe and healthy New Year.

Mr C. Ellis
Headteacher
