Matchfunding

If you work for an organisation that has a matchfunding policy, any money you help raise could be matched by your employer. Usually the employee will need to supply them with a letter from the PTA detailing the date and nature of the event, together with the total raised

High street banks, building societies and large corporations are likely to do matchfunding but these schemes are not exclusive to the major corporate giants. If you work for an independent company, they may be interested in charitable giving through match funding too

We would be grateful if you could see if your employer has a matchfunding scheme, or if they are willing to matchfund any of our events

If you are able to help us this way, please let us know by emailing cafa@castellalun.com or contact us on social media

We need you!: Got a great fundraising idea? Want more of a say in how our fundraising helps the school? Don't want to be on the committee but you can help out at the odd event or help run our social media accounts? Why not get in touch and see how you can get involved.
