June 2026

Dear Parent/Carer

School Sports Day - Friday 10th July 2026

We are pleased to inform you that the annual School Sports Day will take place on **Friday 10th July 2026.**

Students who are not taking part in events will attend their normal lessons during the morning, wearing full school uniform. In the afternoon, they will join the rest of the school to watch and support the activities.

Students who are participating will be informed of the timing of their events in advance. These students may wear the correct P.E. kit for the entire day. Please note that students will not be permitted to participate unless they are in the correct P.E. kit. Those competing in the morning will be off timetable and based on the sports field. We recommend that students bring appropriate warm clothing to wear when not competing, and waterproof clothing in case of unsettled weather.

In the event of extreme weather, a decision regarding the cancellation of Sports Day will be made by 8.00am. Updates will be shared via the school website, social media channels and through the InTouch messaging system. Should Sports Day be cancelled, all students must attend school in full uniform.

If the weather is warm, students are advised to bring sun cream, a hat and plenty of water to stay safe and hydrated throughout the day.

There will also be the opportunity for students to purchase ice pops and fruit in the afternoon, so they may wish to bring a small amount of money.

Thank you for your continued support.

Yours sincerely,

Mrs B Rowlands – Subject Leader – PE
