8th July 2026
8 Gorffennaf 2026

Dear Parents/Carers,

We are monitoring the weather forecast for the next few days with a view to running our school Sports Day at the most appropriate time, which does not clash with other key school events. Our intention is to run heats and certain finals on Friday 10th July in the morning only in order to avoid the main heat of the day, with the finals and other events being held on Monday 13th July in the afternoon. The main school will attend only the Monday afternoon event, when the temperatures are predicted to be lower. All students will be told in advance when their events are being held.

Please be aware, that on Monday afternoon we will have fruit pots and ice pops available to purchase. Students will need to bring coins and change to purchase these items, rather than notes. We recommend strongly that all students wear suncream, sunhats and have plenty of water with them. Shaded areas will be provided, of course.

Diolch yn fawr,

A handwritten signature in black ink, appearing to read 'C. Ellis', written in a cursive style.

Mr Ellis
